

UGANDA PETROLEUM INSTITUTE KIGUMBA

Service with Excellence

Congratulations

The Governing Council, Management, and Staff of the Uganda Petroleum Institute Kigumba (UPIK) proudly congratulate the Uganda National Oil Company (UNOC) on its 10th Anniversary (2015–2025).

Established in 2009, UPIK is mandated to train and equip Ugandans with practical skills for the oil, gas, and allied industries. The Institute offers specialised programs in:

- ◉ Upstream & Downstream Petroleum Operations
- ◉ Mechanical, Electrical & Instrumentation Maintenance
- ◉ Welding, Fabrication & Pipework
- ◉ Health, Safety & Environment (including Rigging & Scaffolding)

Through these programs, UPIK continues to develop a competent workforce that drives national content, industrial growth, and socio-economic transformation.

We salute UNOC for its outstanding leadership across the petroleum value chain and look forward to continued collaboration in building national pride, self-reliance, and global excellence.
